Prayer of Spiritual Communion

Lord God, our light and our salvation, we praise you for your gifts of life and faith. We thank you for the desire you have planted in our hearts, our yearning to see your face. Help us to meet you in prayer, to walk in your ways, and to speak to others of our joy and consolation in your presence. Give us the wisdom to appreciate your Son's self-gift in the Eucharist, so that although we cannot now be at mass to receive this gift sacramentally we may still be able to receive him spiritually. Give us faithfulness in this present life so that we may come into full communion with you and with all that belong to you. We make this prayer through the same Christ our Lord. Amen.

DO NOT come if you are infected with the virus or are sick.
You must **SOCIALLY DISTANCE** (1m+) whilst in Church and wear a mask.
STEWARDS will welcome you, and give instructions.
The **TOILETS** will **NOT** be open for use.

*On behalf of
Bishop David, Deacons Jack Dominic,
would like to wish you all and your loved ones a
Joyful and Blessed Easter.*

Prayer Intentions during March and April:

04/04/21 - "As we celebrate the ultimate victory Christ won for us on the cross, we pray for victory in all the church's efforts. We pray especially for the church's battle to protect all life and the dignity and wellbeing of all human beings from conception to their natural passing."

11/04/21 - "As we celebrate the Feast of the Divine Mercy we remember the words of St Faustina: "that in difficult moments we might not despair... but with great confidence submit ourselves to [God's] holy will, which is love and mercy itself". We pray these words especially for all women considering abortion, that the love, hope and mercy of Christ would be with them in their difficulty, and that they would find care and support in their family and friends so that they can keep their unborn child."

18/04/21 - "We pray for all unborn children diagnosed with disabilities. We pray for protection for them and their mothers from the pressures of society to consider abortion, and that they and their mothers would instead experience overwhelming support from all who surround them."

25/04/21 - "This Tuesday marks 53 years since the 1967 Abortion Act came into effect. As we hope and pray for an end to abortion, we pray especially for our Government, that their commitment to support pregnant women and their families would increase, and that they would anchor themselves in the desire to protect all human life."

Could parents please be vigilant to the global promotion of abortion in the name of humanity and health care. This is the work of the devil as it tries to legalize murder of innocent lives and to put the life of women at risk. Although the long-term damage is too big for any expectant mother to attempt, it is always hidden and the pressure is very high. Please pray for the conversion of heart in those who are involved in this depopulating and impoverishing scheme.

Food Parcels: for those in need are available from The Active Well-Being Society on 0121 7287030. Helps with clothing and other supports are also available.
